

AdventurePro Video Production Pricing Guidelines...

(2015 v2.0)

AdventurePro produces [popular online videos](#) and the highly successful [AdventurePro Video Festival](#)... our video production services are now available to everyone!

Why choose AdventurePro?

- We specialise in 'on location' and outdoors filming. That is, we come to you and prefer to work outside!
- We specialise in outdoor and adventure based videos with high quality video AND audio!
- We specialise in producing Full HD (1920 x 1080p) videos for screening online that can also be delivered via DVD, Blu-ray or virtually any device... including mobile, tablet, PC and Mac.
- We operate as a small multi-skilled team of 2 to provide all filming, sound recording, editing, production and lighting.
- Our pre-shoot information gathering system ensures everyone involved knows the processes involved, goals of the video(s) and what to expect well BEFORE a camera or microphone is even switched on. We will not film until you, your people and AdventurePro's staff clearly understand what we are setting out to achieve!

1. We do the editing for you --- No 'on-location' filming required! from \$250

- All video, stills, logos and voiceovers can be provided by you.
- The goal of the video and 3-5 key words / key phrases will also need to be supplied.
- All editing and post-production will be completed at AdventurePro's Mansfield office / studio.

2. 'On location filming' --- 1 Location, 1 day from \$750

- AdventurePro staff (x2) will provide and operate all cameras and equipment required to film at a time and location of your choosing --- weather dependent!
